

**European association of
fire & rescue psychologists**
Civil security & psychology network

Paris, January 10th, 2012

Dear colleagues,

Since 2003, the EAFRP-AEPSP works for the continuous improvement of the rescuers first-aid workers support practices. It organizes biannual study days, initial trainings or improvement, regional meetings... It contributes to the broadcasting of feedback experiences and to the practices analyses. It facilitates the scientific, technical and statutory monitoring in human factors.

The personal specific subscription to our network allow the free access in our days of study, particular price rates for our trainings, the access to the space deprived of the www.aepsp.eu website (forum, documents, zones of documentary exchange) ...

The membership cotisations are :

20 € for executive members ¹ and
15 € for corresponding members.
(Price rates increased after February 29th, 2012)

We invite you to confirm your interest for the objectives of our network and thank you for sending us as soon as possible, your registration form and your payment, at the following address:

AEPSP-EAFRP – Valérie VERLINE, 18 rue CAMÉLINAT F42000 SAINT ÉTIENNE

Hoping to see you join our network, receive our fraternal greetings.

Sylvain Goujard
président
sylvain.goujard@aepsp.eu

¹According to the N°5 article- association composition :

The association includes, without distinction of age, sex, religion, nationality of the psychologists active members and associated correspondents.

Executive members

To be an executive member, it is necessary to be a holder of psychologist's title (according to the legal requirements of the country of fastening) and to have a practice (research, intervention, training...) for the account and/or in interest of the agents of the fire brigades and the first aid responders or similar.

Correspondents

The correspondents are psychologists, students or other persons having an interest on the questions put by the association objectives, without performing completely both conditions of access to executive member's frame.

Association de droit français - loi 1901 – fondée à l'Ecole Royale Militaire de Bruxelles, les 4 et 5 juillet 2003
